Resolution thereon 1860. 1827. 1852 From the Secretary – acknowledges the receipt of a letter from this Government on the subject of the resort of Frenchmen to Aleppe on Arab Vessels and recommends that instructions be issued to the Resident at Travancore authorizing him to apprehend any French Subjects Visiting the Coast of Travancore in such Vessels and to treat them as Prisoners

*/. that an essential change should take place in the Administration of affairs at Travancore the present Dewan having repeatedly indicated a spirit obviously hostile to the British Interests – State that the Carnatic Brigade continues to be recruited by regular Levies to its full Establishment, altho' it was one of the leading objects of the late Treaty that the safety of the Country should be & chiefly entrusted to the Troops of the British Government and that a dangerous faction appears to have been formed under the im=
=mediate protection of the Dewan. Have no reason to doubt the favorable disposition of the Rajah to the British Govt. – suggests the expediency of a letter being addressed to the Rajah pressing on his attention the necessity of adopting a change in the administration of his affairs &c &c &c 2038, 2003, 2009

the Rajah's Dominions. – Condemning the conduct of the Dewan in withholding the arrear
of Subsidy due to the British Government and exhorting him to exert his influence in
discouraging the intrigues of any designing persons who may wish to disturb the alliance
Subsisting between the two States &c. &c. 1529, 1498. 1523. To the Resident – acknowledging
the receipt of his letter of the 13th Instant and enclosing Copy of a letter addressed
in consequence to the Dewan 1540, 1513. 1537. August Sept. From Ditto –
stating that the letter addressed by the Chief Secretary by order of the Governor in Council
has been delivered to the Dewan, who has set out to lay it before the Rajah &c. 1661.
1632 1654 From Ditto – rectifying a mistake which occurred in his despatch of the 13th of July
last 1673, 1645 1666 From Ditto – stating that Frenchmen frequently land at Aleppe a port in the
Travancore State, from Arab and other Vessels alledging themselves to be Pilots or Mariners,
and requesting to know whether it is the intention of Government that such people should
remain unmolested 1711, 1684 1701. To Ditto – in reply – enclosing Copy of a letter addressed
in consequence to the Chief Secretary at Fort William – to use the descretion alluded to in
the last paragraph of that letter 1714. 1686. 1703 From Ditto – reporting that the
letter addressed by order of the Governor in Council to the Dewan of Travancore has been
attended with the happiest effects and that from the recent conduct of the Dewan
he entertains hopes of all the engagements to the British being Scrupulously fulfilled
by the Dewan &c. 1729, 1701. 1717. From Ditto – reporting that the Dewan has Commenced
paying the Arrears due on account of the Subsidy 1733, 1704. 1720 To Ditto – in reply
to his two foregoing letters 1735, 1706. 1722 From Ditto – states the measures which
he has adopted for the better Observance of the precautions enjoined by Government respecting
French Subjects who may land at Aleppe and from Arab Vessels and suggests the propriety of
Steps being taken to prevent the Construction of Vessels beyond a certain size and description within
the limits of the Travancore State 1867, 1834 1858 Resolution thereon. 1840. 1863 From Ditto –
states that notwithstanding the recent strong professions made by the Dewan of an Amendment of
Conduct only 60,000 Rupees of the Arrear of Subsidy due by the Government of Travancore to the
British Government has been paid into the Treasury – Expresses his Conviction that the
Dewan has entered into a Systematic plan of Contumacious resistance to the due observance
of the Stipulations of subsisting engagements – States the Balance due by the Rajah on
the 1st Instant to amount to nearly 8 Lacs of Rupees – Has used every means in his power
to warn the Dewan of the serious Consequences which must attend a neglect of the
Obligations of his public duty. Suggests that it may be necessary to apprize the
Rajah of the expediency of his Excellency choosing another Minister in the event of
the present Dewan persisting in a course of not indirect hostility to the British Govt.
2034 1999 2005 – Resolution thereon 2038. 2003. 2008. To Ditto – acknowledges the receipt of his
letter of the 24th October, and encloses Copy of a letter despatched in Consequence to the
Collector of Malabar 2046, 2012. 2016 Decr. From Ditto – transmits Copies of
two letters from the Acting Commercial Resident at Anjengo relative to 3
Armenians who had landed there with Copy of his reply thereto – States that a
Communication took place between these people and the Dewan of Travancore
at which the Minister of the Rajah of Cochin was present, and that an Agent
of the Dewans had stated to the Rajah of Cochin that the Dewan had received
sure information that a Considerable French force might be expected to arrive
on the Coast of Malabar in the course of next January, that it had been
required of the Rajah of Cochin to Arm and train a certain portion of his subjects

for the purpose of Uniting with the Travancorians and French in their endeavours to expel the English from the Country, but that the suggestions of the Dewan tho' powerfully enforced had been but spa=ringly adopted – States the Dewan of Travancore to have ordered a portion of the population of every district within Travancore to train to the use of the Bows and Arrows and that the Nayers have been ordered to drill constantly and to fire Ball Cartridges. In Consequence of these and other daring acts on the part of the Dewan has considered it his duty to put the Officer Commanding the Subsidiary force on his guard, and to apprize him of the inexpediency of waiting for an Attack upon his position and pointed out to him the necessity of instantly detaching a Competent force to arrest the Dewan and to keep him in secure Confinement should a measure of this nature be known to be in Agitation &c. &c. 2214. 2165. 2175 From the Officer Commanding the Subsidiary force – with Extract of a letter from the Resident 2225. 2175. 2186. To the Resident – in reply to his last letter 2231. 2180. 2192 From Ditto – recommends a reinforcement of Troops 2252, 2200. 2212 To Ditto – states that the Governor in Council has considered it necessary to take the most effectual Measures of suppressing the hostile designs of the Dewan, and that in consequence a Considerable Body of Troops have been ordered to move towards Travancore from the Southern Division of the Army and from the Coast of Malabar – Copies of the letters on that subject enclosed – States the detailed reasons on which this proceeding has been founded and the Views entertained by the Governor in Council with regard to the present and future state of Affairs in Travancore – Explains the line of Conduct to be adopted towards His Highness the Rajah, and conveys instructions for his guidance in the event of the proposed Seizure of the Dewan's person not being effected or in the event of his Seizure being attended with any Commotion – Directs him to give the earliest attention to the System of Administration which it will be necessary to establish in Travancore so soon as the Dewan shall be divested of his Authority, and to take the first Opportunity of concerting in Communication with the Rajah a more efficient System of internal Government connecting with any arrangement of that nature the reduction of the Travancore Military force and the liquidation of the Arrears of Subsidy &c. &c. &c. 2267. 2214. 2225 From Ditto – states that being apprehensive of a design to interrupt the passage of Grain from the interior to the Bazars of the Subsidiary force he has judged it proper to direct the purchase of Paddy and Rice for transport to Quilon and requests that authority may be given for the disbursement of such Sums as may be required for the provision and transport of the Grain &c. 2303. 2250. 2259. From Ditto – states that the Dewan continues to pursue his plans of hostile preparation with increased activity – Considers it proba=ble that the Dewan designs to Arm a number of Boats along the Coast for the purpose of interrupting the Coasting Communication by boat, and suggests the expediency of a Cruizer being stationed off the Coast to keep open the Communication 2305, 2252. 2261. To Ditto – encloses Copies of two letters addressed to the Officer Commanding the Southern Division of the Army and to the Collector in Tinnevelly – Points out to his particular attention the orders which have been given for eventually dispatching a supply of Cattle from Tinnevelly for the use of the force at Quilon – to give the earliest intimation to the Collector in Tinnevelly if he should consider it necessary that the Cattle should be supplied. To communicate with the Officer Comg. the Subsidiary force on the plan of operations to be adopted by Lieutenant Coll. Macleod's Detachment if active operations should become indispensable – States that Lieutenant Colonel Macleod's Detachment has been augmented for the express purpose of rendering a decided plan of operations effectual if the adoption of that course should be thought adviseable 2313. 2261. 2268. To Ditto – informs him that His Excellency the Governor of Ceylon has been requested to hold one of His Majesty's Regiments in readiness to proceed to Travancore, in the event of such a reinforcement being requisite, and directs him to apprize His Excellency if the state of Affairs in Travancore should be such as to require this further force. The Officer Commanding in Malabar has been directed to use his discretion with respect to ordering a party of troops into the field for the purpose of checking any disposition to revolt that

may

may appear in that province in consequence of the state of affairs in Travancore 2316, 2264 22[illegible]
To Ditto - encloses Copy of a letter addressed to His Excellency the Governor of Ceylon - state that in the event of His Excellency complying with the application therein stated there will be the means of employing an European Regiment on each point of attack on the Eastern side of Travancore, should a decided plan of Operations be determined on - Directs him to give instructions to the Officer Commanding the Regiment expected from Ceylon to place himself on his arrival under the orders of Lieutenant Colonel Macleod 2329, 2280. 228[illegible]
To Ditto - directs him to discontinue the preparations for hostile measures in Travancore, and to refrain from taking measures for Securing the person of the Dewan - The Troops who may have arrived from Cananore to be reembarked with the exception of the Artillery - To retain the Supplies of provisions, Ammunition and Arms which may be required for the Subsidiary force. The Military Arrangements stated in the different letters addressed to him have been countermanded 2334, 2290. 2295
To Ditto - advices him that the Governor in Council has thought it adviseable to refer the general question connected with the affairs of the Travancore State for the consideration of the Supreme Government and directs him to abstain from the adoption of any Measures of an hostile nature or from the further agitation of the points involved in the discussion with that state until the orders of the Governor General in Council are received 2349 2302. 2305
